

# Make your benefits go further by choosing the *right* dentist

Just choose a dentist from our Delta Dental PPO network.

Did you know that the cost for a filling, a crown or other dental procedures can vary from dentist to dentist? This means that you could end up paying more – and in some cases much more – based on which dentist you choose. The good news is that we’ve made it easy for you to get the best price for care every time.

This example shows how much you can save on a porcelain crown.

## Save all year long

Over the year, dental costs can add up. You can lower your out of pocket expense and make your annual maximum go further by utilizing providers in the Delta Dental PPO network. When you choose a Delta Dental PPO dentist, your coinsurance is calculated off of a lower provider fee, using less of your annual maximum and lowering your out-of-pocket expense.

And because you are a Delta Dental of Massachusetts member, the Delta Dental PPO providers will not ask you for additional money beyond our discounted rate. In short, with participating providers you’ll receive more services for less money.
