

Top Provider Methodology Overview

Did you know? Choosing the right doctor is the best way to protect your health and wallet. Use the Garner app to find the best doctors in your network, and we will help cover your medical bills.

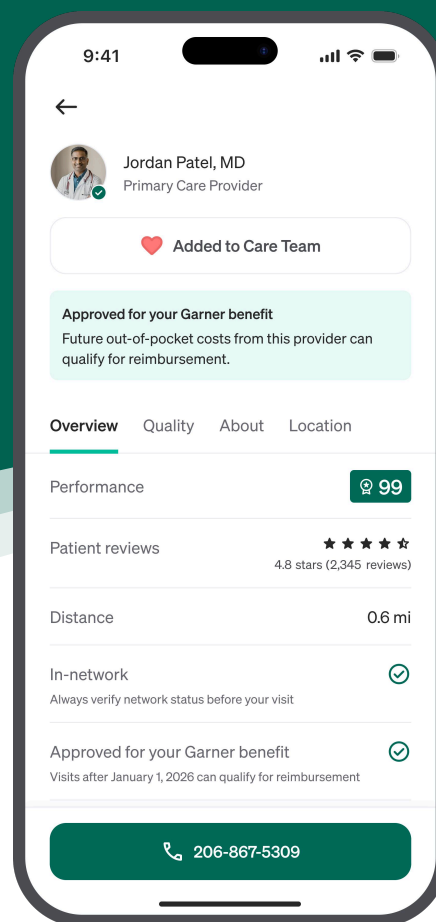

Garner uses one of the nation's largest medical data sets from millions of patients to identify doctors who follow the latest research and deliver better results.

Note: Garner provides objective evaluation of doctors, and doctors cannot pay to be recommended by Garner.

Real Results

Patients who have seen Top Providers experience:

- ✓ **25%** fewer extended hospital stays
- ✓ **19%** fewer hospitalizations for common conditions
- ✓ **16%** fewer major post-surgery complications
